Message From Your President

Dear Members,

As I begin my third term as President of Brandeis National Committee, San Fernando Valley Chapter, I am proud of our past accomplishments and look forward to the exciting year ahead.

We are deep into the planning of our Polka Dot Fall Fantasy Luncheon to be held on October 16. The committee has been hard at work putting together what will be an amazing afternoon but we need your help too. In order to have the bounty of gifts that we have had in the past, we are asking all of our members to collect items for our Door Prize baskets and exceptional gifts for our Silent Auction. A copy of the Solicitation Letter can be found elsewhere in The Bulletin. Please contact Louise Adler if you have any questions.

Our Membership Vice Presidents are always on the lookout for new members. If you know of anyone who might be interested in becoming part of our Chapter, please contact Barbara Kramer or Marsha Asher with their names. Our Chapter needs new people to help us grow and provide new ideas to strengthen our programs.

Our 2017-2018 Board still has openings for Directors. If you would like to play an active role in our group and are willing to give some of your time to furthering our cause, please contact me at 818-578-5275.

Finally, a heartfelt thanks to our hard-working Board members for a job very well done. Each of you brings something special to our organization and your dedication and passion are what make the San Fernando Valley Chapter one of the strongest chapters in the BNC.

Enjoy the rest of the summer. Hope to see you all on October 16 at the Polka Dot.

Warmly,

Claire Rabishaw

RENEE SYMANS

1933 – 2017

Longtime Brandeis board member and great friend Renee Symans passed away May 11 after a long illness which she battled bravely. She was 83.

Renee was a loving wife, mother, sister, and grandmother, as well as a woman ahead of her time. In 1954, Renee left New Jersey for California, where she met her life partner and soul mate Jack Symans. Renee & Jack were married for 49 amazing years and raised three daughters, Cindy Hassel, Lori Symans and Sandy Goor. She created a busy and productive life for herself, and made many lifelong friends.

Renee is also survived by five grand-and step-grandchildren Aaron Hassel, Dani and Emily Goor, and Nate and Evan Schoenbrun.

In 1972, Renee cofounded S&R Originals, a successful special events company. After retiring, she became an inspiring leader of social action groups, including Brandeis.

Renee was laid to rest May 15 at Mount Sinai Hollywood Hills. She had a special connection to the Hirshberg Foundation for Pancreatic Cancer Research; www.pancreatic.org

Renee Symans will be sorely missed by her family and friends. Rest in peace.

To Whom It May Concern:

The members of the San Fernando Valley Chapter of The BRANDEIS NATIONAL COMMITTEE are holding their Polka Dot Luncheon and Fashion Show on October 16, 2017 at the Warner Center Marriott Hotel in Woodland Hills. This is our major fundraiser for the year and we anticipate an attendance of approximately 350 members and guests.

This event enables our Chapter to raise funds for Brandeis University’s “Sustaining the Mind Campaign” in support of Brandeis scientists and their research towards curing neurodegenerative diseases, e.g., Alzheimer’s, Parkinson’s, Lou Gehrig’s disease (ALS) and autism. Brandeis University is ranked one of the top six research universities in the United States and their on-going research in these fields is truly groundbreaking.

Your donation of a Gift Certificate or merchandise for our Door Prize drawings is greatly appreciated and will play a significant part in helping us reach our fundraising goals this year.

Should you need to get further approval from higher-ups, I would very much appreciate your passing this letter on to the appropriate person for consideration.

My address and phone number are shown on the bottom of this letter, should you wish to contact me or forward your donation in the mail.

Thank you for your consideration. For your information our Tax ID# is 04-210-3552.

Sincerely,

Brandeis National Committee – San Fernando Valley Chapter

Drip-Free Wine Bottle May Be The Next Rage

Anyone who has ever poured wine knows about the drips that fall off the side of the bottle, or even a stream. At long last, a Brandeis physicist has figured out a fix.

Daniel Perlman – wine-lover, inventor and Brandeis University bio-physicist – has figured out a solution to this age-old oenophile’s vexation. Over the course of three years, Perlman has been studying the flow of liquid across the wine bottle’s lip. By cutting a groove just below the lip with a diamond-studded tool, he created a drip-free wine bottle!

Perlman is a renowned inventor with over 100 patents to his name for everything from specialized lab equipment to the first miniaturized home radon detector. Along with Professor Emeritus of Biology K.C. Hayes, he developed the “healthy fats” in Smart Balance margarine. Most recently, he devised coffee flour, a food ingredient and nutritional supplement derived from par-baked coffee beans.

There are already products on the market designed to prevent wine spillage, but they require inserting a device into the bottle neck. Figure out the physics, he thought, and you might be able to build a drip-free wine bottle.

Current wine bottle designs date to the early 1800s and haven’t changed much since. About 200 years of drips, drabs, stains and spots may be coming to an end. Perlman is currently speaking with bottle manufacturers about adopting his design.

NEW OFFICERS INSTALLED

The Chapter Board Installation was held on Thursday, June 29, at the Woodland Hills Country Club. There was an excellent turnout, and Past President Marion Berkovitz did her usual superb job of installing the new officers. Lunch was served afterward – refreshing salads with delicious vanilla ice cream sundaes for dessert. It was my honor to chair this most successful event, with it’s great food and warm conversation with new and old friends!
